

Dear Medical Provider:

The Supplemental Nutrition Assistance Program (SNAP, formerly the Food Stamp program), limits Able-Bodied Adults without Dependents (ABAWD) to only 3 months of SNAP within 36 months. This rule applies unless the adult is working a minimum of 20 hours per week or is exempt from the time limit because the individual is medically certified as physically or mentally unfit for employment or falls within another exemption. Please help us determine whether your patient meets the exemption due to medical or mental issues and can be exempted from the ABAWD provisions.
